PM MODI VISION OF BHARAT AWARD 2025

PRESENTED TO

DR. ANJU CHAUHAN

IN RECOGNITION OF

Dr. Anju Chauhan, from Himachal Pradesh, is an accomplished Data Scientist, Financial Consultant at HDFC Life, Psychologist, and Education Counsellor serving at both national and international levels. She has received an honorary doctorate in Data Science from Kennedy University and holds the distinction of being the first Indian woman to achieve this honor. Her dedication to education, technology, and youth guidance has made a remarkable impact, inspiring learners and professionals toward innovation, confidence, and career excellence.
